

VOLLMER ADDS ANOTHER TITLE TO LONG LIST

**Captures the Metropolitan
Half Championship Af-
ter Hard Race.**

**WHEATLEY FIGHTS TO
THE LAST STROKE**

**Yields to Columbia Swimmer in
Final Sprint to the
Float.**

Smashing with powerful strokes through the wind-swept waters of Travers Island Creek, Herbert Vollmer, of Columbia University, and the New York Athletic Club, won the half-mile metropolitan A. A. U. swimming championship yesterday in 12 minutes 32.5 seconds, rattling good time under the conditions.

He defeated his clubmate, Joseph Wheatley, by only a touch, after one of the hardest fought races seen this season. John Curran, a fellow clubman and the only other starter, finished nearly one hundred yards behind.

The tri took the water well together, and Vollmer went to the front almost immediately. At the end of the first lap of the 110-yard course he had a lead of a couple of yards. Wheatley closed the gap on the way home, however, so that the pair reached the fur-long post side by side in 2 minutes 42.5 seconds.

Vollmer again forged ahead after the turn, and slowly improved his position, touching the 440-yard mark in 6 minutes 8 seconds, with a comfortable lead. It looked then like an easy victory for him.

But Wheatley was far from beaten. Gradually raising his stroke, he began to work up, in fact, a race. At the 570 yards his head bobbed at Vollmer's shoulder.

Then both sprinted. Down the last lap they came, shoulder to shoulder, arms thrashing fast, spray flying high. It was either's race for fifty yards, and the crowd rose with shouts of encouragement to one or the other. But Vollmer held the lead, bit more in reserve, and five yards from the line he called upon it, leaping forward and winning by an arm's length.

A field of nearly thirty competitors for the 100-yard handicap, and four elimination heats were made necessary. In the final D. Jackson Howe, of the New York Athletic Club, with an 18-second handicap, defeated a narrow margin Fred Schierbaum, of the West Side Young Men's Christian Association, and Jerrold Smith, of the New York Athletic Club, who finished second and third, respectively. The time was 1 minute 15.5 seconds.

The fancy diving contest, which concluded the programme, was marred by the blustering wind. The men lost control in the air, and the performances, as a class, were poor. Joseph Dunn, of the New York Athletic Club, the national champion of 1913, received the consolation prize of 750 points, against 747 scored by Frank Mullen and 74 by F. A. Sponberg, both Mercury Foot representatives.

The summaries follow:
Sixty-eight entries in D. Jackson Howe, New York A. C. (15 seconds); Fred Schierbaum, West Side Y. M. C. A. (12 seconds); Jerrold Smith, New York A. C. (12 seconds); Frank Mullen, West Side Y. M. C. A. (12 seconds); F. A. Sponberg, Mercury Foot (12 seconds); and F. M. Sullivan, New York A. C. (12 seconds).

DRAWN GAME ON CREASE

**Staten Island and Bensonhurst Evenly
Matched.**

A drawn game was the result of the encounter between eleven representing the Staten Island Cricket and Tennis Club and the Bensonhurst Field Club on the grounds of the former, at Livingston, S. I., yesterday. Good all-round batting marked the innings of Staten Island, top score being made by A. D. Robinson, who came within three runs of a half century, and who also displayed prime form, contributing 36, while E. Smith, with 29, and S. B. Standfast, with 14, were the other double figure scorers.

Six of the members of the visiting team succeeded in getting into doubles, with A. Lovell, 39, showing the way. C. Hoyle and B. Belgrave supplemented Lovell's efforts well, compiling 27 and 25, respectively. H. Woodruffe and D. G. Birkett were the other doubles.

In bowling, the honors were taken by J. Wilson, of Staten Island, with six wickets for 35 runs, and by F. S. Franklin, of Bensonhurst, with five wickets for 35 runs. The latter also did well with the ball, taking three wickets for 24 runs. On the Cameron side, G. Goodman was top score with 18, while F. Rignall tallied 13.

Cameron Beaten at Cricket.

The surprise of the day in the Van Cortlandt Park Cricket League was the fine victory of the Adult School team over the Camerons, who were beaten on totals of 74 for one wicket, to 52. J. Driggs, of Adult School, compiled the splendid score of 51 before he retired. H. Ollivierre tallied 20. The latter also did well with the ball, taking three wickets for 24 runs. On the Cameron side, G. Goodman was top score with 18, while F. Rignall tallied 13.

McAleenan Wins Jersey Diving Championship

**Intercollegiate Title Holder
Makes High Score
Against Max-
well.**

The swimming and fancy diving championships of the North Jersey State were held yesterday at Spring Lake.

Arthur McAleenan, of the New York Athletic Club, the national and intercollegiate diving champion, found no serious opposition and captured his event easily, scoring 115.0 points. Harry Maxwell, of the Tennis and Bathing Club, was second, with 66.50 points.

The 200-yard relay race, for teams of four, furnished a surprise. A quartet of New York A. C. swimmers—Harry O'Sullivan, Joseph Ruddy, Thomas McCarthy and Donald McAleenan—represented the Allenhurst Swimming Club, and it was expected that they would have no trouble in taking honors. But the Spring Lake Bathing Club team—William O'Sullivan, Robert Dowling, Thomas O'Sullivan and Donald Murray—was a bit too fast for them. The favorites were beaten by about three yards in the fast time of 1 minute 51.2-5 seconds.

The 50-yard championship for women served to add to the laurels of Miss Claire Galligan, of the National Women's Life-saving League. Miss Galligan

NAME LANCASTER JUDGES

**Big Pennsylvania Show Promises to
Surpass Former Exhibitions.**

With the announcement of the judges and the closing date well in advance, the show to be held September 30 by the Lancaster Kennel Club at the Lancaster Fair bids fair to equal the standard established in former years.

A liberal classification is offered the exhibitor, and the imposing array of specials in cash, plate, merchandise and cups affords a strong magnet to draw out an entry of the best dogs of the East. The accessibility of Lancaster to the metropolitan centers is another asset.

WAHNETAH OARSMEN SWEEP FLUSHING BAY

**Capture Four Races, Winning
Two with One Crew.**

The oarsmen of the Wahnetah Boat Club won all four races in the annual regatta of the Long Island Rowing Association, which was held in Flushing Bay yesterday.

The Wahnetah junior four won by seven lengths, retaining the "Eagle" trophy. The race was a walkover for the Wahnetah crew, which had never rowed together before. The Sewanhaka and the Ravenswood crews fell back at the start, and at the one-half mile mark, the Wahnetahs led by three lengths. Rowing a perfect stroke they rowed away to win by a city block.

In the four oared gig race, however, the Wahnetah men, the same who had won the junior four, had a hard contest, as the Metropolitan Boat Club and the First Bohemian Boat Club gave them a bitter fight.

The crews were practically abreast for the first half mile. Here the First Bohemian boat faltered for a minute, while the Metropolitan men spurred. With the finish not a furlong away, the Wahnetah men put forth their last effort and gradually pulled away to win by half a length. In third place, a length behind, came the First Bohemian shell.

Victor Kelly won the junior gig race from Eddie Litronica, of the Ravenswood Club, while paired with Dan Mund the Wahnetah colors were carried to a three-length victory in the doubles.

NEW BRUNSWICK ELEVEN HAS PUT IN
THREE WEEKS OF PRACTICE.

Entomtown, N. J., Aug. 28.—The thirty members of the Rutgers football team who have been in camp here for the last three weeks were put through an hour's scrimmage this afternoon under the direction of George Foster Sanford. The varsity ran through its formations with remarkable accuracy, and seems to have advanced almost to midseason form.

All of the regulars, with the exception of Captain Talman, who is suffering with the measles, have been in camp for the last ten days. The team has lost only three men by graduation. Tooley, Todd and McClosky. The hole left in the line by the loss of Tooley is a big one, but Sanford has solved the problem by placing Garrett, the Indian fullback, in this position. Garrett is heavy and fast, and will be kept in the line until one of the big freshman candidates can be fitted into the place.

Sermoning practice will be held all of next week. Howard Gargan, assistant coach, will be on hand by September 1, and will bring with him several former varsity players who will bolster up the scrubs. The squad will leave Entomtown on September 11 for New Brunswick, where daily practice will be held until the first game, with Albright, on September 25.

Among the varsity men at the camp are Nash, Bracher, Miller, Mason, White, Rockefeller, Seiler, Austin, Searr, Bowley, Wittmann and Garrett.
